- USL cannot ensure that all other participants, including coaches and volunteers, are taking precautionary measures to mitigate risks to ensure the health and safety of other participants, coaches, and volunteers, and therefore, participation in a USL Event involves risk of exposure to infectious disease; and,

- I certify that I have not recently tested positive for, and am not exhibiting symptoms of COVID-19, which include a cough, shortness of breath or difficulty breathing, loss of taste or smell, headache, chills, muscle or body aches and/or sore throat.
